Energy regressors: Friday 12h vs. its two lagged values
demand, Friday 12h
Tuesday, same hour
previous Friday, same hour
res_demand, Friday 12h

Weather (DWD Frankfurt 1420): recent data and the lagged regressor (all seasons mixed)
2 m temperature [°C] - last 90 days
10 m wind speed [m/s] - last 90 days
